Ellettsville First United Methodist Church

Return to Worship!!

We are so happy to announce that we are going to return to our church for worship this Sunday! There will, of course, be some restrictions, but we will do everything we can to make it as safe as possible for all of us.

- **Masks will be a requirement; they will be available in the Narthex, and social distancing will remain the same until further notice.**
- **We are returning to singing which I know everyone has missed! I know I have. We will use the hymnals and we will have to continue to wear our masks. They will be wiped down with disinfectant after service.**
- **Offering plates will be located at the back of the sanctuary for a drop location but ushers will not be passing them.**
- **Worship Team (those involved in helping make worship happen, ex; Pastor Mike, Liturgist, Tech individual, choir, organist) may wear a mask or not at their discretion while continuing social distancing guidelines.**
- **Prayer requests and announcements can be written on paper provided at the back of the sanctuary. We will not be passing the microphone for those requests, If you wish you may e-mail them to the church the Friday before service so that pastor Mike will have them in advance.**
